## What Protection Cannot Do

Financial Expert Says it Cannot Cure Unemployment, and Says Business Reductions Policy an Attempt to Curtail Trade

JOSEF HAYNAGEL REPORTS

IF THERE is one thing that protection cannot do, says Joseph Haynagel, financial expert, it is to cure unemployment. He says that the only way to cure unemployment is by increasing the demand for goods and services. He says that the only way to increase the demand for goods and services is by increasing the production of goods and services. He says that the only way to increase the production of goods and services is by increasing the demand for goods and services.

# We are not Attacking Conservatives, Liberals, or Progressives

but we are indicting in Grattan O'Leary's "Orgy of Extravagance" articles in MacLean's Magazine a pernicious, disgraceful, wasteful system that is siphoning money from the Canadian taxpayer's pockets. Canadian business men, Canadian labor, and Canadian housewives would be better off if taxes were reduced—and

## Taxes Can be Cut

if federal, provincial and municipal taxation authorities exercise the same common sense and business intelligence that are shown in private industry. "Less government in business and more business in government!" Unless he gets a bill for direct taxes, the average man doesn't realize how large a share of direct taxation he is shouldering. If he came to a full realization of the actual situation he would write his M. P. a drastic letter that would put the "fear of the voter" into that legislator's mind—and also back up that member who really wants to get behind the campaign for a less extravagant administration and a less burdensome taxation.

## All Over Canada, MacLean's

is being commended for its public-spirited campaign in behalf of lower taxes. Public men of both parties are endorsing MacLean's move, and newspapers are quoting Mr. O'Leary's sensational facts and figures. the home with  
Sanitary Cleanliness

*Sanitary cleanliness* in the kitchen is a necessary safeguard of health.

*Old Dutch Cleanser makes* everything sanitary and hygienic because its flat-shaped particles, made that way by nature, cover the surface completely and not only remove visible dirt and grease, but hidden impurities as well. It does not scratch or grind in the dirt like hard, jagged grit. Because Old Dutch is so active and efficient it saves time, and cleaning is done better with less effort. Economical; a little goes a long way.

Use Old Dutch throughout the house and you'll be assured of sanitary cleanliness.

*There is nothing else like Old Dutch.*
